Don't pass up a home that needs an upgrade. We have a financing solution. With the Fannie Mae HomeStyle Renovation Mortgage at Flagstar, your customer can combine the cost of the home with the costs for renovation or remodeling in one loan. We'll make the process as simple as possible for you and them.

At closing, all of the funds for renovation will be escrowed in an interest-bearing account. And, after all of the renovation work is done, any remaining funds will be used to pay down the principal balance of the mortgage.
